Well, the League Cup is with us again and tonight we welcome Lincoln City to Burnden Park for this second round tie.

We go into the competition with memories of last season when we reached the semi-finals of the competition losing to Everton in the second leg at Burnden after drawing at Goodison.

But once again there will be no thoughts of taking it easy because of what we did last season. As I said, that's just a memory, what we do tonight is what counts.

These notes, because of the Bank Holiday, were written before Saturday's home game against Sheffield United. Prior to that we had won our first two League games.

But while the results have been there we still have to work hard on several aspects of our play with our aim to go one better in

the League than we did last season.

Lots of work is being done behind the scenes at Burnden and the scouting side in particular. Recently all our scouts came to the ground from various parts of the country and the meeting was an excellent one.

I consider this a most important aspect of the set-up and its use is reflected in the fact that four of our apprentices have graduated to full professionals recently.

With this sort of backing I feel that we will be able to maintain a stream of good young players of first-team potential and that is our aim.

Ian Greaves

PETER GROTIER — Has missed only a few League games in the last three seasons and in that period of time was twice voted the P.F.A.'s. Fourth Division Goalkeeper of the Year'. A former West Ham United player, a Club record transfer fee brought him to Lincoln in September, 1974, after a six week loan period.

DENNIS BOOTH — Served a two-month loan period with Lincoln towards the end of season 1973-74, and then signed permanently in August, 1974. Since then has not missed more than a handful of games and has engineered the side through successful seasons. Previously with Charlton Athletic, Blackpool and Southend.

TERRY COOPER — Player of the Year in 1974-75, and another member of this Lincoln team to win P.F.A. award, Terry has missed few games since gaining a regular place towards the end of the 1972-73 season. Originates from Cwmbran, he saw early service with Newport County before being transferred to Notts. County and from there on to Lincoln in October, 1972.

JOHN FLEMING — Joined Lincoln at the start of their promotion season and scored eight goals in 39 appearances. Had previously been with Oxford United for five seasons. Last season had the misfortune to puncture a lung but has now fully recovered.

DEAN CROMBIE — Another local boy emerging from the youth scheme to make an impact in the Third Division last year, his first in full-time career. Very promising player who, with continued improvement already shown to date, will be an attraction for the bigger clubs

JOHN WARD — Local player whose goalscoring record is very impressive. Was the fifth member of the team to be recognised in the P.F.A. awards. As well as scoring goals does a lot of unselfish running for his fellow forwards. Appointed captain this season.

ALAN HARDING — Signed on the transfer dead-line date in March, 1973, from Darlington. Since then has produced some scintillating football in the outside-left position. On his day, is a problem for any full back and is always capable of scoring as well.

PETER GRAHAM — Has had more than his fair share of injuries over the last few seasons. A clever goalscoring forward, this former Barnsley and Darlington player scored a total of 13 goals last season and shows a good understanding with fellow striker John Ward.

BRENDAN GUEST — An England Youth international Brendan has taken over the right full back position from Ian Branfoot. A product of the club's youth system, he made 15 Third Division appearances last season.

MICHAEL SMITH — Signed from Lambton Street Boys' Club, Sunderland, during the close season. A strong determined centre half with a promising future.

PHILIP HUBBARD — In his second spell with the Imps after having seen service with Norwich City and Grimsby Town. A very adaptable player who is capable of playing in a number of positions.

Today's Visitors

Lincoln City followed the now-popular policy of selecting one of their existing staff to replace departed manager Graham Taylor this summer.

Trainer George Kerr was given the full backing of the board and the change-over seems to have been handled with the minimum of upheaval.

Except that Mr. Taylor took defender Sam Ellis with him to Watford, the Lincoln side remains very much as it was last season. The Imps will again be relying upon John Ward and Peter Graham for most of their goals.

Indeed, it was Ward who scored the only goal of their first-round tie against Mansfield which gave them their trip to Burnden Park today.

Ward has been Lincoln's top scorer for the past three seasons, hitting 19 last season, and his tally over the last four years was 17, 13, 29 and 19 — an excellent achievement.

Graham, who previously played for Barnsley and Halifax and who was on two occasions Darlington's top scorer before his transfer to Lincoln in 1973, has not been far short of Ward's totals either. Last season he netted 17 times.

Lincoln's third forward could well be Alan Harding, another one-time Darlington top scorer.

It seems probable that Mr. Kerr will make his midfield selection from Phil Hubbard, Dave Smith, John Fleming and Dean Crombie.

The departure of Sam Ellis, plus injuries to young left-back Phil Neale and Terry Cooper, have caused changes in the back four.

Mike Smith, a Sunderland youngster, was given Ellis's job in the middle where he played alongside the former Charlton, Blackpool and Southend defender Dennis Booth.

Brendan Guest, another young player given his chance last season, and

Dennis Leigh occupied the full-back positions with former West Ham goalkeeper Peter Grotier behind them.

In the last round, Lincoln met Mansfield Town, one of the newly promoted clubs to the Second Division, and beat them 1-0 away from home. The second leg ended 0-0.

Last season, they were beaten in the first round by Doncaster but in 1975-76 they included First Division Stoke City among their victims on the way to the third round, when they went down 0-1 at Leicester. That was the season Lincoln set up a new League record with 74 points in the Fourth Division.

New manager George Kerr spent 12 years as a Football League player, serving Barnsley, Bury, Oxford and Scunthorpe. When he was released by Scunthorpe in 1973, he turned to training duties and, after helping Graham Taylor build the present team, he has now taken full control.

The Lincoln club was formed in 1883 and became founder members of the Second Division of the Football League in 1892. They were voted out in 1908, after two consecutive applications for re-election, but regained their place a year later.

They were ejected again in 1911, once again to regain admittance within a year. They were thrown out for a third time in 1920 but, fortunately for them, the new Third Division (North) was formed in 1921 so, yet again, they were without League soccer for only one season.

They regained their Second Division place in 1932 but returned to Division Three two years later. Their last spell of Second Division football ended in 1961 and since then they have spent most of their time in the Fourth Division until winning the championship in 1976.

Cambrian

I am delighted to announce that the Cambrian Soft Drinks company will be sponsoring Bolton Wanderers over the next two seasons.

Cambrian is very much a part of the local scene in Bolton—you will find our soft drinks in pubs, clubs and shops throughout the area, not to mention the Supporters Club here at Burnden Park.

It's going to be a great season for the team—their hundredth in the Football League—and when they get the well-deserved promotion that has just eluded them over the past two years, we'll be able to say that it was Cambrian that did the trick!

Managing Director,
